An additional station will be included on opening day of the Evergreen Line in the summer of 2016.

Located in the heart of a growing commercial and residential area of Coquitlam, Lincoln Station will serve Coquitlam Centre Mall and more than a dozen existing and planned residential and retail developments located within a short walk of the station. The new station supports the planning goals outlined in the city of Coquitlam's Official Community Plan for the City Centre to become a sustainable, high-density urban core.

## COMMUNITY RELATIONS

The Evergreen Line Project will continue to engage in two-way communication with the residents, community groups and businesses along the rapid transit route to ensure concerns are addressed during construction of the line. An enhanced community relations program is underway and will continue to be a key part of this project right through construction. The Evergreen Line Project wants to involve the community and businesses by keeping them informed of the project’s progress and being

### WHAT IS THE EVERGREEN LINE?

The Evergreen Line is a new rapid transit line that will connect Coquitlam to Vancouver via Port Moody and Burnaby. The Evergreen Line will be a fast, frequent and convenient SkyTrain service, connecting Coquitlam City Centre through Port Moody to Lougheed Town Centre in approximately 15 minutes. It will connect without transfer to the current SkyTrain network at Lougheed town Centre Station and will integrate with regional bus and West Coast Express networks.

### TRAFFIC INFORMATION

Every effort will be made to minimize disruption and maintain access for both businesses and residents. If you have questions or concerns, please call:
